

AVAILABILITY

The lodges are available year-round and reservations may be made one year in advance. Mini Lodges require a two-night minimum stay. Off season discount rates available. Pets welcome.

RESOURCE AND EDUCATION CENTER- CONFERENCE CENTER

The Resource and Education Center offers a unique venue for retreats, family reunions, weddings, conferences, training sessions and day meetings. Our multi-functional center has the technology, space and activities to re-group, connect, increase productivity and celebrate.

The year-round conference rooms, located in the 17,000 square foot lodge-style Missouri National Recreational River Resource & Education Center, specializes in serving groups up to 300 people. In addition to the Mini Lodges, a variety of other lodging is available—Green straw bale built cabins, rustic modern cabins, paved electrical RV sites and primitive camping. A large catering kitchen is available to rent. Serene to adventurous activities such as kayaking, archery, shooting sports, nature hikes and hayrack rides may be organized for groups. Call for a conference packet and book your next event at Ponca State Park.

PONCA STATE PARK mini LODGE

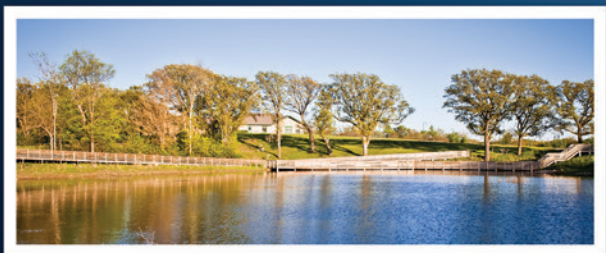

MINI LODGES

Whether it's a reunion for over 50 family members, a weekend with your spouse and kids, or a business retreat, the Mini Lodges of Ponca State Park are the perfect balance of "roughing it" and the comforts of home.

THE EXPERIENCE

You will love the ultra modern lodging in one of Nebraska's most prized scenic areas. Ponca State Park's 2,300 acres of natural beauty are nestled in the Missouri River Bluffs and serves as the eastern gateway to the Missouri National Recreational River. Visitors are drawn to Ponca State Park's activities and attractions—pond and river fishing, Towers in Time sculpture, hiking & biking trails, horseback riding, golfing, outdoor shooting and archery range, Missouri River access, outdoor swimming pool, bird watching and more.

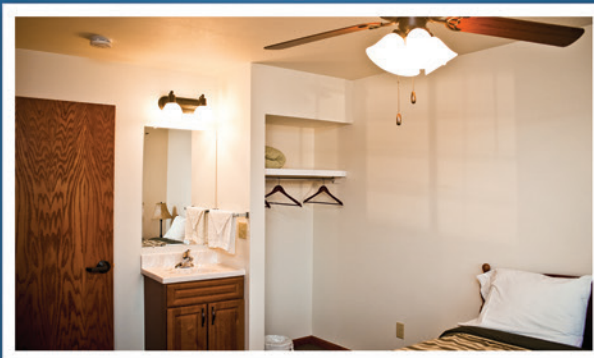

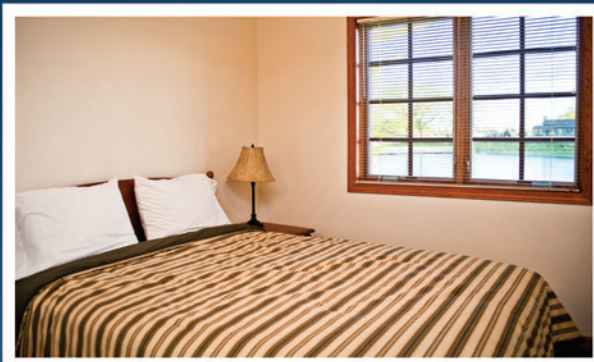

THE CONVENIENCE

While even a single person staying in a Mini Lodge can enjoy all the privacy they desire, the lodges are arranged in pods; designed to allow guests to be "grouped" together within walking distance to the Resource and Education Center. Conference rooms and a catering kitchen are also available to rent to serve as your group's central gathering space for reunions, corporate meetings and the like.

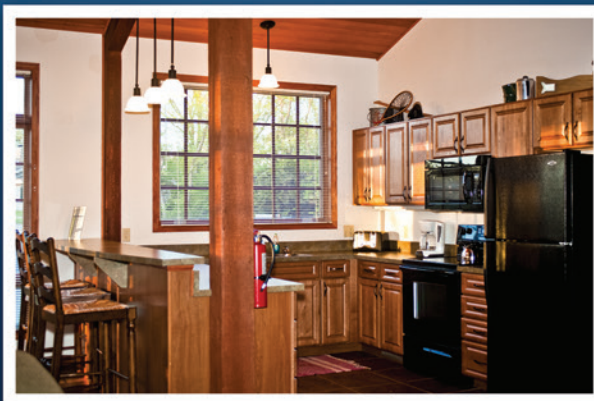

BEDROOMS & BATH

The luxurious four bedroom lodges, which sleep eight, are outfitted with a queen bed and vanity, giving each room privacy and comfort. Each lodge features two bathrooms and linen and towel service.

KITCHEN & DINING

Each lodge has a fully-equipped kitchen with dishwasher. All you need to bring is food. A large dining table comfortably seats everyone.

GREAT ROOM

An open-concept family room with fireplace and comfortable furniture makes for great family time.

CABLE & INTERNET

Each lodge has a 42" flat screen TV with complimentary cable and wireless internet provided by Great Plains Communications.

OUTDOOR FEATURES

The lodges are positioned to get the most privacy possible from the scenic decks. Each lodge also has a gas grill, picnic table and firepit outside.
